

WHO SHOULD JOIN?

Banks, developers, real estate agents, engineers, and business people, who have an interest in community and economic development and want to see the southwest Missouri region succeed.

WHAT DOES IT COST?

There are two levels of associate membership:

- For-Profit Organizations
\$1,000
- Non-Profit Organizations
\$250 - \$500

**Memberships are valid through Jan 1-Dec 31, and are renewed annually*

WHY SHOULD YOU BECOME AN ASSOCIATE MEMBER?

An associate membership is for any entity other than local governments that wish to become a member of the Southwest Missouri Council of Governments (SMCOG). SMCOG is a regional planning commission made up of local and county governments within a 10 county region.

1. Recognition

Your organization and level of support will be recognized at all SMCOG training events, and will be listed on SMCOG Membership list, website and newsletter.

2. Insider Information

As an associate member, you will receive the SMCOG annual reports, newsletters along with other training opportunities, keeping you up to date about legislative issues.

3. Networking

By becoming a part of our associate program, your organization will have the opportunity to network directly with local and county leaders, as well as representatives and legislative staff from State and Federal government. You can join the conversation to address concerns for the improvement of the region.
