Dade County

RESOLUTION NO.

A RESOLUTION OF THE Dade County ADOPTING THE DADE COUNTY MULTI-JURISDICTIONAL HAZARD MITIGATION PLAN

WHEREAS the Dade County recognizes the threat that natural hazards pose to people and property within the Dade County; and

WHEREAS the Dade County has participated in the preparation of a multi-hazard mitigation plan, hereby known as the Dade County Multi-Jurisdictional Hazard Mitigation Plan, hereafter referred to as the *Plan*, in accordance with the Disaster Mitigation Act of 2000; and

WHEREAS the *Plan* identifies mitigation goals and actions to reduce or eliminate long-term risk to people and property in the Dade County from the impacts of future hazards and disasters; and

WHEREAS the Dade County recognizes that land use policies have a major impact on whether people and property are exposed to natural hazards, the Dade County will endeavor to integrate the *Plan* into the comprehensive planning process and

WHEREAS adoption by the Dade County demonstrates their commitment to hazard mitigation and achieving the goals outlined in the *Plan*

NOW THEREFORE, BE IT RESOLVED BY THE Dade County, in the State of Missouri, THAT:

In accordance with the Dade County Board, the Dade County adopts the final FEMA-approved plan.

ADOPTED by a vote of 3 in favor and 0 against, and abstaining, this day of

Hi Carrie

Here is a timesheet for you to use to track your time today.

If you the resolution you mentioned is not the correct one, please send me a separate email stating the date that you will have it passed.

For the action sheets, you will just need to fill in the highlighted portions. Rough estimates are acceptable at this point. Please call me if you need any assistance. I'm going to be in an out of the office today, so just leave me a message if I don't answer and I'll get back with you quickly.
